NEW BLOW AT TRUST

Criminal Action Against Officials of Standard Planned.

HADLEY MAY BE CALLED IN

Attorney General of Missouri Likely to Be Asked to Assist the Federal Prosecutors if Suits Are Started at St. Louis - Morrison and Kellogg Supreme Court, and that it is therefore at the Department of Justice.

Criminal proceedings against the officers of the Standard Oil trust, it is understood, were considered at a conference held at the Department of Justice yesterday by Attorney General Moody, his assistant, Milton D. Purdy, and C. B. Morrison, and F. B. Kellogg, the two special prosecuting attorneys who will have charge of the cases

SEEKS TO ENJOIN MARSHAL

William E. Gatton Fights to Retain Possession of Property.

William E. Gatton, former proprietor of east, yesterday filed a suit in the District Supreme Court for an injunction to prevent the United States Marshal from executing a writ of restitution for the property issued by Justice of the Peace Stridproperty by Louise M. Guenther.

It is claimed by Mr. Gatton that he appealed from the judgment of Justice of the Peace Strider, and also furnished he required bond. He claims that the case is now down for trial in the District out of the jurisdiction of Strider, Notwithstanding this fact, it is alleged, Strider issued the writ of restitution, which the marshal is about to execute Chief Justice Clabaugh directed that rule be issued requiring the marshal to show cause next Firday why the injunc tion should not be granted.

In order that the enlisted men of the United States navy may be prepared, on For making use of an invention and patent which is their property, and without first securing their consent for its other creditors. The bill alleges that the deeds of trust are fraudulent as against other creditors, and should be set aside other creditors, and should be set aside other creditors, and should be set aside other creditors. The bill alleges that the deeds of trust are fraudulent as against other creditors, and should be set aside other creditors. The bill alleges that the deeds of trust are fraudulent as against other creditors, and should be set aside other creditors. The bill alleges that the deeds of trust are fraudulent as against other creditors, and should be set aside other creditors. The bill alleges that the deeds of trust are fraudulent as against other creditors, and should be set aside other creditors. lowance for bluejackets be increased from \$45 to \$60.

An additional appropriation of \$70,000 will be required to make this increase, which naval officers regard as most es-sential, possible. According to officers on luty in the Bureau of Navigation of the Navy Department, the allowance of \$45 the navy is not sufficient to allow of their regulations.

Enough of them to tell you so again-in the various shapes aid proportions.

It is so popular a seller that sometimes ve are caught "short," and neither threats nor promises avail in helping us get them aster from the maker.

They come in the same shapes as three to livedollar hats. We say they are as good

as most stores' three-

dollar hats.
